Presentation: EAS State Plan Update from State Chairman Bill Fawcett

Presentation Summary:

On September 11, 2025 the latest Virginia State EAS Plan was approved by the Office of the Chief, Public Safety and Homeland Security Bureau of the FCC. You can find the current **VA STATE EAS PLAN 9-26-25** on the VAB website www.vabonline.com/downloads-links/. State Emergency Communications Committee (S.E.C.C.) Chairman Bill Fawcett will explain some of the changes (not many), and will take questions from the membership. That all sounds quick and simple... right? I bet we spend some time nerding out on EAS.

Meeting adjourned 1:55 PM by Bill Sewell
